

Title: Recreation Worker

Job Status: Summer Contract (July 3th to August 16, 2018)

Hours: 8:45am – 3:15pm, Monday – Friday

Locations: Ladner and/or Tsawwassen, and North Delta

Scope: Recreation Workers work in a team environment supporting children with special needs participate in recreational activities which meet the Summer Fun Goals. Your team consists of other recreation workers, EAs, 1 Assistant Leader, and 1 Site Leader. You will execute the program planned by the Site Leader while ensuring the safety and well-being of the children. You will participate in all the programming areas and ensure that the equipment used is safe, clean and hazard-free at all times. Specific duties include:

- Assist the children with their daily living and recreational activities, including but not limited to: eating, toileting, swimming, walking, communicating, mentoring and being a role model
- Ensure the safety of participants at all times
- Daily communication with parents of the child you are assigned to for the day
- Assorted other duties as required

The Recreation Worker reports directly to the Site Leader and is responsible for supporting the program as set out in the program handbook.

Requirements:

- Current Emergency First Aid with CPR certificate
- Experience working with children with special needs (i.e. respite, peer tutor)
- Completion of a criminal record check (required only if you are a successful applicant)
- Foodsafe is an asset
- Good verbal and written communication skills
- High energy, enthusiastic
- Enjoy being part of a team that values leadership and organizational talents

We offer a competitive salary which will commensurate with experience and starts at \$12.50 per hour.

Please send resumes in confidence to: president@deltalifeskills.net and indicate RECREATION WORKER in the subject line.
